Hail, Fremont, Hail 121

We, the yearbook staff, dedicate the 1961 Pathfinder to the spirit of Fremont. Each phase of this spirit assumes a special significance through the words of our Alma Mater.

Hail, Fremont, Hail! We raise our voices on high.

. . . to praise the teachers and administrators who play the most important role in our high school life.

Proudly we sing your praises to the sky.

. . . to honor friends whose influence will remain throughout our lives.

Our hearts and hands we give to thee,

. . . to join in interests shared in government, sports, and other activities.

We pledge undying loyalty.

. . . to maintain Fremont's excellence in competition with other schools.

Live on in memory!

. . . the remembered moments of the present will fill the future with the past.

Hail, Fremont, Hail!

Principal's Message

You often hear students talking about school spirit, and sometimes it seems as if it were the most important thing concerning school life. Teachers talk about school spirit. So do your parents. And to each of us school spirit has a particular meaning.

What does it mean to you? Does it mean a lot of yelling at football games and at rallies? Partly. Does it mean active support of other athletic events? Partly. Does it mean we enjoy not only the spectator role but the role of participant in some one or more worthwhile activities? Partly. It means this and much more. The magnificent school spirit such as is shown by the truly outstanding Fremont student body is a manifestation of your wholesome attitudes, your respect for teachers and fellow students, and yes, love and respect for your wonderful parents, too.

School spirit means different things at different times to individuals who have a right in this country to differ. But I think we can all agree on the premise that it is your wholesome release of emotions signifying a satisfying relationship with the total school-community that makes for "good school spirit." Of this and you we are proud, and I hope this will always be true.

Sincerely yours,
Collins T. Haan

The Big Red Machine

The boys of Fremont High, again in 1960, finished the season in championship form. However, their effort was not quite good enough to win the W.S.C.V.A.L. championship, although they were as great as any other previous Indian team. The Campbell Bucs defeated them in mid-season and finished undefeated for the sole ownership of the league title.

But the Indians can be rightfully proud of their 1960 record with 7 wins and 1 loss. They also can claim the defensive title, with only 81 points scored against them during the season.

The Indian power was bolstered when the S.C.V.-A.L. coaches placed five of our boys on the all-league teams. Sam Bradly and Rick Weems were selected on the defensive unit, with Leroy Foster and Andy Fultz representing the offensive unit. John Travis was a member of the defensive unit and was also voted the outstanding lineman in the W.S.C.V.A.L. John will be back to help the Indians in 1961.

For a quick recap of the season, the Indians defeated the Buchser eleven in their opener and then went on to defeat Santa Clara and Los Gatos in the next two consecutive outings. The Indians next met the Campbell Bucs and went down to their first and only defeat of the year. Cupertino, Sunnyvale, Mountain View and Camden were the victims of the Indian's power to finish out the season.

The cooperation, effort, and tremendous desire of the Fremont Tankmen won them the West Santa Clara Valley Athletic League Frosh-Soph Water Polo Championship. A one-hundred-percent effort was made by all the members of this team. Coupled with the abilities of Dan Heck (co-captain), a superb goalie; Bruce Wilhelm; Bob Brockhouse; Bill McClellan (co-captain), and Rick Walker, this enthusiastic spirit led the team to an undefeated season.

Great praise is due the Injun coach, Gene Wilk, for molding this great team together. Bruce Wilhelm took the SCVAL scoring crown with 34 points while Bob Brockhouse took third with 17 points.

Fremont ended their season with an undefeated record winning all nine of their games. The highlight was the 3-2 victory over Los Altos, also undefeated, in the last game for the League championship.

The Varsity Water Polo Team played a hard league schedule this year. Be-set by difficulties, they sank to a two-win, six-loss record.

John Bayless, Hank Johnson, and Wesley Metlick (soph) were selected to the SCVAL All-League Honorable Mention Team. This trio put forth a lot of effort. Bob Wilhelm, a consistent and hard working four-year tankman, was selected by SCVAL coaches to the All-League Second Team.

John Bayless and Bob Wilhelm were the outstanding Varsity Water Polo Players for Fremont this year. Unheralded, perhaps, is the position of goal guard John Ueberroth filled this position this year and did an excellent job for his first crack at it. Great things are expected of the returning squad next year. Reinforced by a number of the victorious Frosh-Soph, the team is expected to be a league powerhouse.

All of the squad but five will return next year. Those graduating are Paul Benzo, Nick Peters, Randy Walker, Bob Wilhelm (co-capt.) and John Ueberroth (co-capt.).
